RENYlet to Baltimore 4/4/47, rebulet to Philadelphia 4/16/48 and 8/4/48.

Referenced New York letter to Baltimore was forwarded by Baltimore to the Philadelphia Office on May 11, 1948 in view of the fact that the Bureau has designated Philadelphia as origin in this case. This letter advised that in April, 1947 Subject was residing at 25 East 115th Street, New York City and was employed as a cab driver at 653 East Nicholas Avenue, New York City.

An informant of the New York Office advised that at that time Subject was attempting to organize the taxi cab drivers in the Harlem area into a union.

Referenced Bureau letter to Philadelphia dated April 16, 1948 requested that investigation be conducted to determine whether the Subject is presently dangerous to the internal security of the country in order that if he is found to be, a security index card for him can be prepared or if he is found not to be, that the security index card presently maintained in the inactive files in the Bureau can be cancelled entirely.

A review of the files of the Philadelphia Office reflects that the Subject is not known to have been engaged in Communist activity in this area. An investigation has shown that he is not presently living in Philadelphia.

New York is requested to conduct such investigation as is necessary to determine whether the Subject is still residing in New York City and if he is, to notify the Bureau to this effect so that a change in the office of origin can be instituted.

Rebulet Philadelphia dated April 16, 1948 and New York letter to the Bureau dated February 4, 1949.

Referenced New York letter advises that the New York Office has no information of any Communist Party activity on the part of the subject, who is now residing in New York City. Inasmuch as the Philadelphia Division also has no information of any Communist Party activity of the subject, it is recommended, in accordance with referenced Bureau letter, that the Security Index Card presently maintained in the inactive files of the Bureau be canceled entirely.

Inasmuch as the subject is presently residing in New York, the Bureau is requested to change the office of origin in this case to New York City.

On February 6, 1947, [redacted] furnished the following background information on the subject:

b2
b7D

PATTERSON is a negro American, about thirty-five years old, was a member of the Party from 1930 to 1935. He was recruited while shining shoes at the old Union Square Headquarters. He was sent to Russia to the Lenin School short course in the year 1931. He was used by BROWDER and CHILDS, present "Daily Worker" editor to hound other negroes whom they thought were out of line. He returned here in 1932 and was sent to Philadelphia to organize. He organized a house of prostitution that flourished for quite a while. PATTERSON then became hard to handle so the Party expelled him. He has managed to remain friendly with many even after his expulsion and even visited New York Communist Party Headquarters on more than one occasion. He is the type that can be on again and off again.

On January 13, 1949, [redacted] advised that subject now lives at 2060 Third Avenue, New York City, and is no longer engaged in Party activities. He gave up his job as a cab driver and is now employed as a truck driver for some contractor whose name the informant did not know.

b2
b7D

[redacted] advised that he has no knowledge of subject or his activities.

b2
b7D

The files of the New York Office contain no further reference to the subject that has not been previously reported.

Records of the New York City Bureau of Motor Vehicles reflect that chauffeur's license number 1052692 was issued to LEONARD PATTERSON of 2060 Third Avenue, New York City.

recollection the CP had been making plans since 1929 for the hiding out of CP fugitives. He stated it was in 1929 that the Chicago, Illinois Police Department arrested several Communist leaders in that city and after they were released on bail, they and other leaders were hidden out in various spots designated by the CP.

[REDACTED] b7D

that similar plans had been made by the American CP in previous years and pointed out that the CP of the Soviet Union even before the Russian revolution had adopted and used this tactic many times. He pointed out that at one time during the Russian revolution the CP of Russia was run entirely from countries outside of Russia and drew the conclusion that in the event that the 8 CP fugitives left the country they would undoubtedly go to Mexico from whence they may attempt to work their way to Russia from which advantage point they could lend direction to the CP in the United States.

The above is for info.

"Students were selected for the ILS by a recommendation from their respective districts. The districts were instructed to recommend trustworthy, devoted, and sincere Communists--those that had been proven through struggles, strikes, boycotts, sabotage, loyalty to the Party, etc. Each district was to very carefully screen the prospective candidate. All of his qualities, good and bad points, had to be analyzed. Then it came to a discussion in the District Bureau of various districts. [redacted]

b7D

b7C

b7D

"It is necessary to note that the first recommendation comes from the District Bureau to the Central Committee of the Communist Party, USA. Secondly, the Central Committee approves or rejects or substitutes the recommendation of the District Committee.

Then the Central Committee sends this recommendation to the Lenin School of the Communist International. This commission of the Comintern most times accepts the recommendations of the Central Committee; however, upon arrival at the ILS, each student individually is called before a screening committee of the Comintern with a Comintern representative presiding. Each student's record from the time he was born to the present time is laid before him and questions about his personal life, his Party activities, his social life, etc., are gone into and if the student meets with all these requirements, then he is accepted as a student to the ILS; however, if the Comintern Commission finds something that they consider wrong, that student is rejected and sent back to his country.

"STEVE NELSON was a direct representative of the Central Committee of the Communist Party, USA, to the Spanish Communist Party and other Loyalist forces and at the same time he was representative from the Comintern. [REDACTED]

b7C

[REDACTED] STEVE NELSON became a lieutenant colonel while he was in Spain. He was injured while he was in Spain. STEVE'S work was highly evaluated, both by the American Communist Party and the Communist International, for his activities in the Spanish Civil War.

b7D

b7C

b7D

b7D

for the United States and in Russia, and STEVE is a very well trained Communist, devoted to the Communist cause, both locally and internationally, and for security reasons as far as this country is concerned, STEVE is a very dangerous element. In the event that American Communist leadership is imprisoned and STEVE is left alone, he would be fully equipped with Communist training tactics and methods to rally the American Communists and the Communist forces for the cause of the Communists.

A photograph of PATTERSON and WALTER STACK. It was captioned as "Marine Workers' Leaders Presenting the Demands of the Baltimore Seamen to Admiral PLUNKETT, Transit Relief Director in Washington".

A review of the N.Y. file on LEONARD PATTERSON reflects that he is probably not identical with the above-captioned [redacted] although it would appear that some of the information from Baltimore and Philadelphia pertains to LEONARD rather than to [redacted]

It is noted that on 9/6/51 LEONARD advised that he has never used the name [redacted] and that his given name was LEONARD.

For the information of both the Philadelphia and Baltimore Offices, LEONARD PATTERSON is no longer available to this office for interview, at least for the present time. For this reason he has not been interviewed in this case. However, if it is felt that an interview of LEONARD PATTERSON is warranted in the future, a lead should be directed to this office and, if possible, such an interview will be made.

A review of the N.Y. file reflects the following on PATTERSON:

The report of SA [redacted] Baltimore, 6/4/43, reflects one LEONARD PATTERSON was CP Senatorial candidate for the state of Maryland in 1934. In previous interviews PATTERSON has stated that he recalls having been a candidate for a political office in Baltimore in 1934 but he could not remember for what office he was a candidate. He advised that he does not recall any [redacted] in Baltimore at the time and feels that [redacted] the name [redacted] to him, that he had been confused.

The report of SA [redacted] Baltimore, 8/4/43, reflects the credit check of one [redacted] check indicates [redacted] This report also reflects information from [redacted] Selective Service file.

PATTERSON also advised that he registered with Selective Service, Local Board 191, at 217 Moore Street, Brooklyn, and was inducted from Local Board 5 at Hartville, Pa.

PATTERSON also advised that his date of birth was 2/6/06 at Goldsborough, Wayne County, N.C.

The report of SA [REDACTED] New York, 12/17/43, contains information which appears to be identical with LEONARD PATTERSON. Information furnished by N.Y. to Baltimore in letter dated 4/4/47, which letter was forwarded by Baltimore to Phila. on 5/11/48, is identical with LEONARD PATTERSON. The information contained in N.Y. letter to Bureau with a copy to Philadelphia, 2/4/49, is identical with LEONARD PATTERSON. b7C

The information in the report of SA [REDACTED] 5/8/44, Baltimore, contains information on [REDACTED] b7C
[REDACTED] It is noted that LEONARD PATTERSON was inducted into the U.S. Army. The reports of [REDACTED], 2/25/44 and SA [REDACTED], 9/21/43, both at Philadelphia, reflect [REDACTED]

[REDACTED] dated 8/4/43 in Baltimore. This PATTERSON is not identical with the LEONARD PATTERSON of N.Y.

Information in the report of SA [REDACTED] 2/3/42, Baltimore, is not identical with LEONARD PATTERSON. Information in the report of SA [REDACTED] 6/6/49, New York, is identical with LEONARD PATTERSON. b7C

From the above it would appear that LEONARD PATTERSON of N.Y. and [REDACTED] are not identical. b7C

Letter to SAC, Baltimore
NY 100-50765

It is suggested that these two are not identical. Their background is different. However, the CP activity is probably that of LEONARD PATTERSON of N.Y. and the previous background information from Baltimore and Philadelphia was for another LEONARD PATTERSON.

It is noted that PATTERSON has advised that he was a leader in CP activity in Baltimore in 1933 to early 1935 so that he would be familiar with any individual who ran for a political office. He states that he did run for an office, so that it was probably LEONARD PATTERSON who was the Senatorial candidate in 1934.

Inasmuch as Baltimore has been the previous office of origin in this case, this matter is being considered RUC.

A review of the file, at the time it was reopened, disclosed the possibility that the LEONARD PATTERSON who was a candidate on the Communist ticket for State Senator of Maryland in 1934 could be identical with the LEONARD PATTERSON who was the subject of New York file 100-50765. New York was requested to determine if LEONARD PATTERSON, subject of New York file 100-50765, had been a candidate for the office of Maryland State Senator on the CP ticket in 1934. By letter dated 7/2/52, New York advised that LEONARD PATTERSON had stated in previous interviews that he recalls having been a candidate for a political office in Maryland in 1934, but he could not recall for what office he was a candidate.

The above Bulet stated as follows:

"The Bureau desires at this time to set out the policy to be followed in connection with the handling of HCUA testimony."

"It is desired that the Washington Field Office maintain close liaison with the HCUA to determine the identity of persons to be subpoenaed so that it may be ascertained whether any Bureau informants or sources of information are involved, whether the investigation of a pending case may be interfered with and so that up-to-date reports may be submitted on proposed witnesses. It is desired that current reports be submitted on individuals active in Communist Party affairs and these reports should be received by the Bureau prior to the beginning of the hearings. No report is necessary on persons merely having knowledge of such activities without active participation therein. Political Action Committee, was honeycombed from top to bottom with Communists, Soviet spies, and fellow travelers.

Reverend Webber's activities aroused the indignation of many members of the Methodist Church. Their protests were responsible for Reverend Webber's case being considered by the New York East Conference of the church. Reverend Webber, dealing with these protests and the hearing given him, wrote, as follows, in the Social Questions Bulletin of December 1946:

After I presented my reasons for being kept in the active relationship, the committee unanimously adopted a motion that they approve Bishop Oxnham's continuance of me in active ministerial relationship. Whereupon Bishop Oxnham appointed me as chaplain to organized labor.

Bishop Oxnham was vice president of the Methodist Federation for Social Action when he appointed Reverend Webber, in spite of the many protests against him, an official chaplain of the Methodist Church to organized labor.

Mr. SCHERER. Mr. Kornfeder and Mr. Gitlow, both of your subpoenas will be continued. Thank you very much for your comprehensive testimony.

Mr. Counsel, have you another witness?

Mr. KUNZIG. Mr. Leonard Patterson.

Mr. SCHERER. Do you solemnly swear the testimony you are about to give at this hearing shall be the truth, the whole truth, and nothing but the truth, so help you God?

Mr. PATTERSON. I do.

Mr. SCHERER. Have a seat. Proceed, Mr. Counsel.

Mr. KUNZIG. Would you give your full name for the record, sir?

TESTIMONY OF LEONARD PATTERSON

Mr. PATTERSON. Leonard Patterson.

Mr. KUNZIG. I note that you are not accompanied by counsel, and therefore I want to inform you for the record that it is your privilege to have a lawyer present and advise you, if you so desire. I take it you prefer to testify without one; is that right?

Mr. PATTERSON. That is right.

Mr. KUNZIG. Mr. Patterson, would you give us your present address, please?

Mr. PATTERSON. 110-39 156th Street, Jamaica, Long Island.

Mr. KUNZIG. Where were you born, sir, and when?

Mr. PATTERSON. I was born in Wayne County, N. C., in the year 1906, the month of February 2.

Mr. KUNZIG. What is your present occupation, Mr. Patterson?

Mr. PATTERSON. I am shipyard employee. I am a rigger by trade.

Mr. KUNZIG. Where are you employed?

Mr. PATTERSON. Bethlehem shipyards.

Mr. KUNZIG. Where is that?

Mr. PATTERSON. 27th Street, Brooklyn, and Hoboken, N. J.

Mr. KUNZIG. Mr. Patterson, were you ever a member of the Young Communist League?

Mr. PATTERSON. Yes.

Mr. KUNZIG. When did you go into the Young Communist League?

Mr. PATTERSON. In the fall of 1928.

Mr. KUNZIG. Did you ever become a member of the Communist Party?

Mr. PATTERSON. Yes.

Mr. KUNZIG. When?

Mr. PATTERSON. 1930.

Mr. KUNZIG. You were a regular, card-carrying, dues-paying member of the Communist Party?

Mr. PATTERSON. Yes.

Mr. KUNZIG. When did you leave the party, if you left it?

Mr. PATTERSON. In the year of 1937.

Mr. KUNZIG. What positions did you hold in the Young Communist League first?

Mr. PATTERSON. I was a member of the national committee of the Young Communist League from 1929 until the time I went out in 1935. I also was a member of the national bureau, that was an executive body of the national committee.

Mr. KUNZIG. Of the Young Communist League?

Mr. PATTERSON. Of the Young Communist League. I was district organizer of the Young Communist League in the Philadelphia district in 1931, was—

Mr. KUNZIG. Where were your headquarters in Philadelphia?

Mr. PATTERSON. I think it was 8 North 19th Street.

Mr. KUNZIG. In Philadelphia?

Mr. PATTERSON. Yes. I was district organizer of Maryland district and Columbia district in 1934 and 1935; I held many positions in the Young Communist League. It would take me half an hour to tell you all of them.

Mr. KUNZIG. Those are the main ones?

Mr. PATTERSON. Those are the most important ones.

Mr. KUNZIG. When you were in the Young Communist League did you ever know one Jack McMichael?

Mr. PATTERSON. Yes.

Mr. KUNZIG. What position did he hold in the Young Communist League?

Mr. PATTERSON. He was a member of the New York district of the Young Communist League and was a member of the top fraction of the Young Communist League and the Communist Party in the American League Against War and Fascism. Also he was a member of the top fraction of the American Youth Congress that was organized around 1934.

Mr. KUNZIG. You knew him then as one of the leading members of the Young Communist League?

Mr. PATTERSON. Yes.

Mr. KUNZIG. I hand you a document marked "Patterson Exhibit 1" for identification. I am very carefully holding my hand over any names mentioned and in passing you this document marked "Exhibit 1" for identification I show you a picture and ask you if you recognize that person.

Mr. PATTERSON. Yes.

Mr. KUNZIG. Who is that?

Mr. PATTERSON. That is the McMichael I recognize who was in the Young Communist League together with me from 1934 until I went out in 1935.

(Representative Morgan M. Moulder left the hearing room at this point.)

Mr. KUNZIG. Let the record show, Mr. Chairman, that the witness has identified a document which is a photostatic copy of an article from the New York World Telegram, September 15, 1951, headlined, "Controversial Federation Retains Methodist Name."

"Body Reelects Reverend McMichael," and then there is a picture under which appears the name of Reverend McMichael.

Mr. SCHERER. The record may so indicate.

Mr. KUNZIG. I also at this time, Mr. Chairman, would like to offer this document marked "Patterson Exhibit 1" for identification, into evidence as Patterson Exhibit No. 1.

Mr. SCHERER. It will be so received.

(The photostatic copy of the article from the New York World Telegram, dated September 15, 1951, was received in evidence as Patterson Exhibit No. 1.)¹

Mr. KUNZIG. What positions did you hold in the Communist Party, itself, Mr. Patterson?

Mr. PATTERSON. I was a member of the district committee and district bureau of the Communist Party of the Philadelphia district in the year of 1931. At the same time I was district organizer of the Young Communist League. I was a member of the section committee of the Communist Party at Baltimore in 1934 and 1935, and in the latter part of 1935 to 1937, the time I went out of the Communist Party. I was a member of the district committee of the Philadelphia district of the Communist Party.

I also held a position as a member of the central committee of the Negro Commission of the Communist Party in 1933 and part of 1934 and other positions I held in the party.

Mr. SCHERER. Let me ask, did you ever know in your work in the Communist Party a Rev. Harry F. Ward?

Mr. PATTERSON. Yes.

Mr. SCHERER. Did you know him well?

Mr. PATTERSON. Yes; I worked with him.

Mr. KUNZIG. Would you explain to the committee just how you worked with him and where?

Mr. PATTERSON. In New York City, I believe in 1933 or early 1934—I believe it was 1933—Dr. Ward, Earl Browder, myself, Victor Jerome, Manning Johnson, and other top leading members of the Communist Party were assigned to a top fraction. In other words, a top policymaking body of the Communist Party—by the central committee of the Communist Party to prepare—

Mr. SCHERER. You say Dr. Ward was a member of that fraction?

Mr. PATTERSON. I said that—to prepare for a conference to sponsor a broader conference against war and fascism to be held later on in the year of 1933—I believe the year is 1933, either 1933 or 1934. This top policy body met at 799 Broadway, where many of the party front organizations met at that time, and again there was a conference held in Chicago. I believe that was the second congress against war and fascism.

(Representative Morgan M. Moulder returned to the hearing room at this point.)

Controversial Federation Retains Methodist Name

Body Re-elects Rev. McMichael

By FREDERICK WOLTMAN,
Staff Writer.

The Rev. Jack R. McMichael, who over the years has shown a marked partiality for Communist front groups, still occupies the saddle in the Methodist Federation for Social Action.

He was overwhelmingly re-elected executive secretary at its annual conference in Evanston, Ill. The opposition largely stayed away so resolutions demanding his resignation got nowhere. And the affair received the benediction of the Communist party's *Daily Worker* Monday under the four-column, page one headline: "METHODIST PARLEY URGES TRUCE AT 38TH PARALLEL."

The body, which is unofficial, failed to act on a year-old request by the church's Council of Bishops that it drop the word "Methodist," which brings up a curious anomaly.

A Pivot of Controversy

For some years now, the Federation, claiming 3-4000 members including a few influential bishops, has been a pivot of controversy within the 11,000,000-member Methodist Church. Staunch supporters have turned against the McMichael leadership, including the National Conference of Methodist Youth, the *Christian Advocate* (the Voice of Methodism) and the influential *Zions Herald*. Important chapters, such as Boston University's, had announced his re-election would mean their automatic withdrawal.

Yet all this was disregarded in Evanston. And, a handful of 36 delegates made high pronouncements of social and political policy under the Methodist label.

Many of them were right up to the Communist alley.

For instance, the delegates called for the seating of Red China in the United Nations "on the condition of a negotiated peace." By a close vote, they defeated a resolution urged by their own executive committee: immediate recognition of Communist China while American troops die in Korea.

REV. McMICHAEL

Fails to Act On Bishops' Plea

moving toward our own brand of fascism."

There were individual attacks on communism. A member of the Federation's executive committee, Dr. Albert Barnett, theology professor at Emory College, Atlanta, warned "You are going out of your way to expound a justification for communism."

Bishop Francis J. McConnell, retired, who was re-elected president, denounced Russian communism for ignoring the Christian concept of the human soul. Some federation members said the bishop, who had affiliated himself with scores of Communist fronts, might espouse ideas which could "seem like communism." They are definitely not the Stalin type, he assured.

But all in all, the *Daily Worker* was not displeased.

stand, which recognizes no difference between the Red aggressors and the democracies, is 100 per cent acceptable to the Communists.

The conference urged the repeal of the McCarran Internal Security Law and the Smith Act, under which the 11 Communist chiefs were convicted. In words that sound familiar to *Daily Worker* readers, it held "we are

Condemn Dictatorships

They passed a resolution condemning all dictatorships but refused to name the Soviet Union specifically. Along with the Communists they favored withdrawal of U.N. troops to the 38th parallel.

The Soviet Union and its allies "share in the responsibility for the present international debacle," they declared; both East and West share in the guilt. For propaganda purposes, such a

Meanwhile, the Methodist Church holds its quadrennial conference in San Francisco next April. There's a move afoot to create its own official social action commission. Until it does, this tiny, unrepresentative federation will be carrying the ball as the unofficial political voice of Methodism in this country.

Mr. PATTERSON. I believe that was in 1935. I might be a little wrong on the dates, but research will show, and there we also had a meeting of the fraction while the congress was there and I was together with Dr. Ward in the top fraction meeting in Chicago also.

Mr. KUNZIG. This is a top fraction meeting of the Communist Party?

Mr. PATTERSON. Yes; a meeting where only selected top leading Communist Party members could attend. It was a policymaking body.

Mr. KUNZIG. Rev. Harry F. Ward was present?

Mr. PATTERSON. He was present and an active member of that body.

Mr. KUNZIG. And therefore you know Rev. Harry F. Ward as a member of the Communist Party, as a very important member of the Communist Party?

Mr. PATTERSON. Yes.

Mr. SCHERER. Was he still a member of the party at the time you left the party?

Mr. PATTERSON. To my knowledge, yes, he was still active in the Communist Party front organizations like the National Negro Congress. In fact, I believe in 1935 or 1936 they had a meeting of the congress in Philadelphia, and he was present there and also participated in Communist Party fraction.

Mr. SCHERER. As far as you know, at the time you left the party, he was still a member of the party?

Mr. PATTERSON. Yes.

Mr. SCHERER. And you know of his participation in Communist-front organizations subsequent to the date of your leaving the party; is that right?

Mr. PATTERSON. Yes. I know he was active in most of the party front organizations, and he was used many times to spearhead a call for such organizations. In other words, he would be among the sponsors to get other so-called professional people, liberal ministers, the party would be able to attract other people that it could not attract otherwise.

Mr. SCHERER. I believe you mentioned Rev. Jack McMichael; did you not?

Mr. PATTERSON. Yes.

Mr. SCHERER. Would you elaborate just a little bit upon your acquaintance with Reverend McMichael?

Mr. PATTERSON. I became more or less active with him in 1934 at the time that the Young Communist League captured the youth congress held by Viola Ilma. Jack McMichael met together with the bureau of the national committee of young Communists and other leading members of the Young Communist League that the bureau called in and mapped out policy and was giving instructions on how to proceed to capture this conference called by Viola Ilma and to establish the American Youth Congress. He was very active in the establishment of the American Youth Congress. He was also active in the American League Against War and Fascism, the youth section. I was a member of the NAC Bureau when we discussed the question of Jack McMichael and Joe Lash and Charlie White as the leading members of the Young Communist League to work in the American League Against War and Fascism to be responsible to the NAC Bureau for the creating of a broad youth section in the American League Against War and Fascism.

Mr. SCHERER. You knew Reverend McMichael then as a member of the Communist Party?

Mr. PATTERSON. Well, I do not know if he exactly was a member of the Communist Party, but I know he was a member of the Young Communist League.

Mr. SCHERER. Did you not have to be a Communist to be a member of the Young Communist League? If he was a leading member—

Mr. PATTERSON. All leading members of the Young Communist League had to be also members of the Communist Party, so by his being one of the leading members, I take it for granted he was a member of the Communist Party, but as such, meeting with him in the Communist Party, I did not, but attended these fraction meetings I talked about, these top fraction meetings, which were meetings of the Communist Party with Young Communist League members present of that committee, that was part and parcel of it.

Mr. SCHERER. But you did know him definitely to be an active member of the Young Communist League?

Mr. PATTERSON. Yes, and the Young Communist League, we might state, is part and parcel of the Communist Party. It is not something separate from the Communist Party. When you are a member of the Young Communist League, you are still a Communist.

Mr. KUNZIG. If I get you straight, he did attend these top fraction meetings.

Mr. PATTERSON. Yes.

Mr. SCHERER. You knew him as a Communist irrespective of whether he was a member of the Young Communist League or whether he carried a party card or not, did you not?

Mr. PATTERSON. Yes, I knew him definitely as a Communist and as a leading Communist.

Mr. KUNZIG. You never knew any non-Communists to attend any of these fraction meetings, did you?

Mr. PATTERSON. Non-Communists could not attend such fraction meetings.

Mr. KUNZIG. Off the record.

(Discussion off the record.)

Mr. KUNZIG. Were you ever assigned by the National Committee of the Communist Party to be a member of the Communist Party fraction in the American League Against War and Fascism?

Mr. PATTERSON. Yes, I was assigned by the National Committee of the Young Communist League, but I also was a leading member of the Communist Party and I could not have been assigned to that fraction without the approval of the central committee of the Communist Party.

Mr. KUNZIG. Who was assigned with you to become a member of the Communist Party fraction in the American League Against War and Fascism?

Mr. PATTERSON. Dr. Ward.

Mr. KUNZIG. That is Rev. Harry F. Ward?

Mr. PATTERSON. Yes, Earl Browder, Manning Johnson, Jerome, I think it is Victor Jerome, Leonard Patterson, and a Communist Party member by the name of Davis, who was a postal employee and used to be such an organizer of the Communist Party in Milwaukee in 1929, and I cannot think of the rest of them just now.

Mr. KUNZIG. I would like to ask you one further question. Did you ever see any examples of young ministers sent out to churches by the Union Theological Seminary who were Communists?

Mr. PATTERSON. Yes.

Mr. KUNZIG. Would you describe that to the committee?

Mr. PATTERSON. Yes. While I was in Baltimore, two members who had graduated from Dr. Ward's seminary came down to Baltimore for assignment for their ministerial duties, and at the same time they came for assignment for their Communist duties from the section committee of the Baltimore section of the Communist Party.

Mr. SCHERER. Let us get that straight.

Mr. PATTERSON. Two young ministers who had graduated out of the seminary—I might not pronounce this—and if I cannot, so excuse me—taught or lived by Dr. Ward.

Mr. SCHERER. You say you cannot pronounce the seminary. Does anybody know the name?

Mr. KERLEY. Union Theological Seminary.

Mr. KUNZIG. That is already in the record.

Mr. PATTERSON. Upon graduation they were sent down into Baltimore for an assignment. Let me try to break this down a little further. I believe this was in 1935, the time that Mussolini invaded Ethiopia because they worked on my committee.

I will come to that a little later.

When they came down there for their ministerial assignments, they also came down for their Communist Party assignments from the section committee of the Baltimore section. They were party members when they got there. They explained that they were recruited as party members by Dr. Ward while they were studying under him. This was reported to the section committee, and I heard this and they were given the assignment to work with me at that time, were head of a committee for the defense of Ethiopia against the Italian invasion, and they served on my committee which, you know, gave it a little color, helping each other in places.

Mr. KUNZIG. Do you recall the names of those men?

Mr. PATTERSON. At the present time I cannot think of their names.

Mr. SCHERER. Do you think if you were given time and opportunity to talk to people, you might be able to remember these men's names or find out who these ministers were?

Mr. PATTERSON. Yes, and I believe if sufficient research work would be done in Baltimore around 1935 on—

Mr. WALTER. What churches were they assigned to?

Mr. PATTERSON. I do not recall what churches they were assigned to.

Mr. SCHERER. They were Methodists?

Mr. PATTERSON. Yes; they were Methodists. At that time I did not go to church—I believe around 1935 and 1936. If research work was done in connection with the party front organizations, you might trace that.

Mr. SCHERER. Off the record.

(Discussion off the record.)

Mr. SCHERER. Mr. Patterson, you just said at the time these two young ministers were assigned to the Communist Party activity in Baltimore, you were not going to church.

Mr. PATTERSON. That is right.

Mr. SCHERER. Are you going to church today?

Mr. PATTERSON. Yes.

Mr. SCHERER. And would you mind telling us what church you are connected with?

Mr. PATTERSON. I am now a member and officer and ordained deacon of Mount Calvary United American Free Will Baptist Church at Madison and Patchen, Brooklyn, N. Y.

Mr. SCHERER. Did you have any more questions?

Mr. KUNZIG. I have no further questions.

Mr. SCHERER. Mr. Patterson, the committee wishes to thank you for your testimony here today. It has been very helpful.

I wish, however, and I suppose you will cooperate with some member of the staff who is going to contact you in an effort to determine who these two ministers were, or to help you recollect their names.

Mr. PATTERSON. Yes. I would like to say in closing that we had right down here in Foley Square in 1933 a couple of ministers who were members of the Communist Party. These were Negro ministers. I cannot think of their names but they testified on the stand here when some members of the Communist Party were arrested for Communist Party activities. The party put them on the stand as witnesses for the party.

Mr. SCHERER. Perhaps the investigator might talk to you about those, too.

The two ministers you say were enlisted into the party by Dr. Ward, were they white or colored?

Mr. PATTERSON. White.

Mr. KUNZIG. I have no further questions, Mr. Chairman.

Mr. SCHERER. I believe that is all, and you are discharged from your subpoena.

We will meet tomorrow at 10 a. m. The hearing is recessed until that time.

(Whereupon, at 4:20 p. m., the hearing recessed, to 10 a. m., Wednesday, July 8, 1953.)

"Sometime in 1928 or 1929 he was working as a helper (shining shoes, etc) in the barber shop in Union Square either in one that was at location where more expensive Kleins is now or in a barber shop nearby."

"In either of those years (can't remember exactly) he was recruited into Y.C.L. by young men who frequented that barber shop (or perhaps by adults working or frequenting it). At that time he was almost illiterate. Time and time after that I and others used to hear him say how the 'movement' actually taught him to read and write, to become a 'self-respecting' individual."

"Where he originally came from I don't know. One of his original 'developers' was Will Herberg who was N.Y. YCL District Organizer when L.P. was recruited."

"I remember distinctly how at first he used to 'play the clown' in front of white people. Later he used to say on this point too, in lecturing the younger Negro people, how the Y.C.L. members, both Negro and White, showed him the real basis for such behavior, why it was not only necessary but wrong. On this point too, he used to say, 'The only people in the world that gave me dignity, and to all my people, the only place where he could feel like an equal human being was in the Communist movement.'"

b7D

Referenced communications refer to the furnishing of agents' dissemination memoranda to S'AG [redacted] in addition to informants' written reports, NY observes that it has never followed the practice in any of its Smith Act trials of furnishing agents' dissemination memoranda to the attorneys for review for the following reasons: b7C

1. Information from dissemination memoranda should already be available to the attorney in report form.
2. Dissemination memoranda normally contain information on numerous subjects not pertinent to the specific case involved.
3. Dissemination memoranda may contain administrative markings and/or information.
4. Dissemination memoranda is an agents' work product as distinguished from an informants' work product in the form of a written report.
5. It is possible that if dissemination memoranda are made available to the attorney for review they may be seen by the informant and later used to refresh his recollection and subsequently be reached successfully by defense attorneys.

To furnish agents' dissemination memoranda requires extensive review/s resulting in the expenditure of many man hours of unproductive work.

If the practice of furnishing attorneys with agents' dissemination memoranda is to be adopted in all cases, the burden of locating and furnishing information on a government witness such as [redacted]

[redacted] all the information he

b7D

gave was reduced to writing by agents. It is noteworthy

b7D

The above is being pointed out for the Bureau's consideration inasmuch as relet requested copies of dissemination memoranda.

COMMUNIST PARTY WITNESSES -
U. S. ATTORNEY

This letter states that when the U. S. Attorney knows or has reason to believe that a former member of the CP is to testify as a witness for the Government the trial attorney shall first obtain through the local field office of the Federal Bureau of Investigation a "central indices check on such witness." He should also request the local office of the Immigration and Naturalization Service to furnish him with any material which the Service may have relating to the witness. In the event he obtains derogatory information sufficient to question the witness' reliability, he should forward this information to the Department with his recommendation as to the use of the witness. In such a case the witness shall not be called to the stand without prior authority from the Department.

The letters from the U. S. Attorney's Office request advice as to whether derogatory information exists sufficient to question the witnesses' reliability. If there is any reason why use of the above witnesses will not be satisfactory or they will not be "reliable", the U. S. Attorney's Office should be so advised.

It would appear that each office who has handled the above individual in the past would be in the best position to know whether the individual has any background which would make it undesirable to use him as a witness. However in view of the wording of the departmental letter, it would appear that each time a witness is to be used a "central indices check", i.e. contact with the Bureau, is necessary. Advice from the Bureau would be appreciated as to whether it is necessary that, prior to giving this information to the U. S. Attorney, Bureau clearance is needed or is it sufficient to have the various offices advise the Los Angeles Office directly with the information which may be furnished the local U. S. Attorney?

Pending advice from the Bureau and in order to expedite handling of the U. S. Attorney's request, offices receiving copies of this letter are requested to promptly furnish the Bureau and L.A. a brief summary of the background of the individuals listed in their territory. PERSONAL ATTENTION

EX-COMMUNIST AS WITNESSES

Reurlet dated February 27, 1956, captioned
"Communist Party Witnesses - U. S. Attorney."

Your attention is directed to Section J, AC
Letter 55-40 dated June 21, 1955, captioned "Government
Witnesses - Security Matters" which advised all offices
of the forwarding to United States Attorneys (USA's) of
the May 20, 1955, letter from Deputy Attorney General Rogers
concerning action to be taken by the various U.S.A.'s relative
to the use of ex-Communists as Government witnesses. AC
Letter 55-40 clearly outlined action to be taken by a field
office upon receipt of a request from a U.S.A. for a "central
indices check" concerning an ex-Communist scheduled to
testify for the Government in non-Bureau as well as Bureau
cases.

SAC Letter 55-40 instructed that such requests from USA's must be expeditiously handled and the Bureau promptly furnished sufficient identifying data to enable a search to be made of Bureau files. SAC Letter 55-40 advised that pertinent information located in the Bureau's files would be furnished to the field office for transmittal to the U.S.A. and would also be furnished by the Bureau to the interested division of the Department. A careful search of your files would have disclosed the above instructions which clearly answer the questions proposed in your letter dated February 27, 1956. You should, in the future, ensure that the personnel assigned to your office are aware of existing Bureau instructions.

With reference to the 11 potential witnesses listed in relet, you are advised that the Departmental Committee on Security Witnesses, which was established to consider whether clearance should be granted to use ex-Communists as Government witnesses, has already considered the cases of [redacted]

PATTERSON was interviewed under oath at his residence, 110-39 156th St., Jamaica, New York, but declined to furnish a signed statement. 8-9-778v

PATTERSON was interviewed concerning the FEA Credit Application, dated 12/31/54, on which he failed to indicate the existence of prior FEA loans. Three loans obtained are in default and FEA paid claims totalling \$1,062.15.

He stated that failure to list the prior loans was an error due to the fact that the application was to refinance an already existing loan, and that he had no intention to obtain any money under false pretenses.

In regard to the fact that the loans are all in default, PATTERSON stated that he took out the loans at a time when, in addition to his regular income, he was being paid \$25.00 per day by the Immigration Service as a consultant on Communist matters. He added that he had testified frequently, and had also furnished information to the FBI in certain Communist cases.
